

Material Safety Data Sheet

May be used to comply with
 OSHA's Hazard Communication Standard
 29 CFR 1910.1200. Standard must be
 consulted for specific requirements.

U.S Department of Labor

Occupational Safety and Health Administration
 (Non-Mandatory Form)
 Form approved
 OMB-No. 1218-0072

IDENTITY (As used on Label and List) LICE SHAMPOO	Note: Blank spaces are not permitted. If any item is not applicable, or no information is available, the space must be marked to indicate that.
---	---

Section I	
Manufacturer's Name	Amercare Products, Inc.
Street Address	17661 128th Place NE
City, State and ZIP Code	Woodinville, WA 98072
Telephone Number	(425) 489-9575

Section II - Hazardous Ingredients/Identify Information	
Other Limits	
Hazardous Components (Specific Chemical Identify; Common Name/s) OSHA PEL ACGIH TLV	
Recommended % (optional)	
NONE	

Section III - Physical/Chemical Characteristics			
Boiling Point	100°	Specific Gravity	1.06
Vapor Pressure (mm Hg)	<1	Melting Point	N/A
Vapor Density (Air=1)	N/A	Evaporation Rate (Butyl Acetate =1)	<1
Solubility in Water	100% at 75° F	Appearance and Odor	Orange translucent liquid with slightly sweet odor.

Section IV - Fire and Explosion Hazard Data			
Flash Point (Method Used)	Flammable Limits	LEL	UEL
None	N/A	N/A	N/A
Extinguishing Media		Water fog, foam, carbon dioxide or dry chemical	
Special Firefighting Procedures		None	
Unusual Fire and Explosion Hazards		None	

Section V - Reactivity Data		
Stability	Stable	Conditions to Avoid: None
Incompatibility (materials to avoid)	Avoid contact with strong oxidizing agents	
Hazardous Decomposition or Byproducts	None Known	
Hazardous Polymerization	Will not occur	Conditions to Avoid: None

Section VI - Health Hazard Data			
Routes of Entry	Inhalation? No	Skin? Yes	Ingestion? Not under normal use
Health Hazards (Acute and Chronic)	Inhalation: No hazards expected		
	Skin: Prolonged contact may cause irritation		
	Ingestion: Not intended for ingestion, may cause discomfort		
	Eye: Direct contact with eyes may be painful and irritating		
Carcinogenicity	NTP? No	IARC Monographs? No	OSHA Regulated? No
Signs and Symptoms of Exposure	See health hazards		
Medical conditions generally aggravated by exposure	None		
Emergency and First Aid Procedures	Inhalation: Remove to fresh air. Contact physician if condition persists.		
	Skin: Flush skin with water. Remove contaminated clothing and clean before reuse.		
	Ingestion: If swallowed, give two glasses of water. Rinse mouth and throat thoroughly. Vomiting and/or diarrhea may occur. Seek medical attention if symptoms persist.		
	Eye: Flush with potable water or sterile eye buffer for 15 minutes. Hold eyelids open to assure complete flushing. Contact physician if condition persists.		

Section VII - Precautions for Safe Handling and Use	
Steps to be taken in case material released or spilled: product is generally used for personal hygiene and general household purposes. Release to sanitary sewer in small amounts is inherent in end use. Small amounts may be dissolved in water and flushed into sanitary sewer. Larger quantities should be transferred to containers. Spilled material is slippery. Wash hands thoroughly after handling, As with most shampoos, do not ingest or get in eyes.	
Waste disposal method: Product is a non-hazardous biodegradable material. Small amounts can be dissolved in water and flushed to sanitary sewer. Larger amounts should be disposed of in accordance with local, state and federal regulations.	
Precautions to be taken in handling and storage	Store at room temperature in closed containers
Other precautions	Protect from freezing.
NOTE: Under normal circumstances, this material is not considered a hazardous material as defined by the OSHA hazardous communications standard.	

Section VIII - Control Measures				
Respiratory protection (specify type)	None required			
Ventilation:	Local exhaust	Mechanical	Special	Other
Normal room ventilation	N/A	N/A	N/A	N/A
Protective gloves	None required under normal use			
Eye protection	None required under normal use			
Other protective clothing or equipment	None required under normal use			
Work/hygienic practices	Normal			

Section VIII - Ingredients
Active Ingredient: Pyrethrum Extract (equal to 0.3% Pyrethrins), Piperonyl Butoxide 3% and Benzyl Alcohol 3%. Inactive Ingredients: C13-14 Isoparaffin, Fragrance, Isopropyl Alcohol, PEG-25 Hydrogenated Castor Oil, Water, Xanthan Gum

Section IV - Directions

Review the manufacturer's instruction sheet with your doctor or pharmacist and follow all directions carefully for your product. All household members and/or those in close contact with you should be checked for infestation and treated if infested. This medication is for external use only. Avoid applying to the eyes, nose, mouth and vagina. Do not use in eyelashes or eyebrows. Check with MD if those areas are infested. Apply in a well-ventilated area. Apply to the hair and scalp once, thoroughly covering the affected area. Use a small amount of water and work the shampoo into the hair and scalp to form a lather. Leave on for about 10 minutes unless directed otherwise by your doctor. Rinse and dry with a clean towel. Use a nit comb on damp hair. Wash hands immediately after use. Repeat the application once seven to ten days later to kill any newly hatched lice. Be sure to follow instructions on proper washing of clothing, bedding, etc.
